- “Responsibilities of Camp Organizers” Form must be faxed through to our offices or handed in upon arrival.

PLEASE ALSO NOTE:

- **Bedding is only provided in Adult Accommodation** (see All Info Document for specs) available to your group. Please ensure that all campers are aware that they need to bring their own bedding (Sleeping bag or Duvet & Single Fitted sheet; Pillow; Blanket), as we do not have additional bedding available at this time.
- All cutlery & crockery is provided to the entire group. Maraneman offers
- **Dietry requirements** must be specified at least 10 working days before your camp (included in our “Final Numbers” form that you need to send to us too). Unfortunately we will only be able to cater to requirements that were specified ahead of camp.
- Maraneman can cater to **Halaal** guests. **Vegetarian** dietary requirements can also be catered to, provided that the number of vegetarians do not exceed 10% of the total number of guests (a larger percentage will result in an increase to the camp fee charged).
- Maraneman **cannot cater for** Kosher-, Vegan, Gluten Intolerance, Banting or other more specialised requests. Such ingredients are much more expensive and not covered by our standard quoted rate (nor do our suppliers supply such products). Clients with such food allergies/requirements, are welcome to bring their own food along to camp, which we can keep in the cold room (please mark clearly) and help prepare, as required.
- **If you are having Dinner (as your first meal) on your arrival day**, please make sure all clients in your group are aware that Dinner will only be served by latest between 19h00-20h00. **After 20h00** we will be unable to serve any meals, as our staff will have to start cleaning up and getting the kitchen ready for breakfast. We urge all clients who might be arriving later, to rather make alternative arrangements for dinner on the way. You are also welcome to discuss excluding the first dinner from your camp package, with our office, if it would be more suitable.
- Please ensure that **all guests accompanying your group is fully aware of the menu selections chosen by your camp organisor** and that we will be unable to make adaptations thereafter. All our food supplies are ordered and delivered weekly and cannot be altered thereafter. This is particularly important when choosing not to add any breakfast additions in order to accompany a specific budget. It always helps when everyone is made aware of decisions made by the camp organiser, and helps avoid any confusion at camp.
- By law, Maraneman is not allowed to administer ANY MEDICATION to any clients. We are however allowed to apply first aid, clear wounds and assist in emergency situations, for which we are equipped. Please ensure that all campers are aware that they are to bring all of their own medication along to camp.
